An aged couple had been saying the rosary every night since they were married. As they aged, both of them became profoundly deaf to point that they could not hear each other in sharing their rosary prayer. They approached the Catholic Ministry with Deaf and Hard of Hearing Ministry. The Co ordinator of Emmanuel after listening to their story came up with the idea of making a timed PowerPoint adjusted for the time that suited their speech patterns. After trialling the project not only with this couple but other people who were Deaf and Hard of Hearing

the resource was offered to others including hearing children and schools and other adults.

A unique feature of the PowerPoint is that the beads light up as the different prayers are said. Over 800 copies of the DVD have been distributed free of charge to people in Western Australia.

The Rosary now includes the Joyful, Sorrowful, Glorious and Luminous (light) mysteries. It is available on DVD on request from [emmanuelcentre@westnet.com.au](mailto:emmanuelcentre@westnet.com.au) or Emmanuel Centre website where there are links to each set of mysteries on youtube,
